

Facility for Antiproton and Ion Research

Helmholtzzentrum für Schwerionenforschung GmbH

GSI Helmholtzzentrum für Schwerionenforschung operates a unique large-scale accelerator for ions. Researchers from around the world use this facility for experiments which help them make fascinating discoveries concerning the building blocks of matter and the evolution of the universe. In addition, they continually develop novel applications in medicine and technology. In the coming years the new international accelerator facility *FAIR* (**F**acility for **A**ntiproton and **I**on **R**esearch), one of the largest research projects worldwide, will be built at GSI.

We are now inviting qualified candidates to apply for the following permanent position:

Head of Finance Department
Kennz.: 8300-17.37

You will lead the finance department of GSI GmbH and of the Facility for Antiproton and Ion Research in Europe GmbH (FAIR GmbH) with in total 15 employees. You are responsible for accounting, preparation of external Financial Statements, compliance with financial and accounting principles, tax rules and the rules for non-profit-organizations. You prepare the annual business plan and take care of liquidity management. For all kinds of audits as from Federal Audit Court or from authorities or our contribution and grant partners you will be the first contact person. You improve accounting structures and procedures to gain operational efficiencies.

We are looking for a person with the following qualification:

- University degree in Business Administration with focus on accounting or comparable qualification
- Several years of work experience in a leading position in finance; ideally acquired in in a comparable organization
- Proven knowledge of accounting standards (HGB and Fiscal Accounting)
- Leadership experience and skills
- Professional experience in SAP and common MS Office-Products
- Excellent written and oral English and German language skills
- Accurate and reliable method of operation supported by diplomatic and competent appearance.

We are offering an interesting and varied professional activity in an international reputable research institute. Salary is equivalent to that for public employees as specified in the collective agreement for public employees (TVöD Bund).

Further information about FAIR and GSI is available at www.gsi.de and www.fair-center.eu.

GSI supports the vocational development of women. Therefore women are especially encouraged to apply for the position.

Severely disabled applicants will be given preference to other applicants with equal qualifications.

Please send your complete application including the usual documents, your salary expectation and the above Posting ID by April 23th 2017 to:
